SUMMARY

Dynamic and motivated software engineer with a solid foundation in computer science principles and programming. Recently graduated with a Bachelor's degree in Computer Science, eager to leverage academic knowledge and practical experience gained through personal projects.

EDUCATION

Swarnandhra College of Engineering and Technology, Andhra Pradesh, India Bachelor of Technology , Computer Science and Engineering	Jul 2020 - May 2024 Grade: 7.88 GPA
Aditya Junior College, Andhra Pradesh, India Intermediate (MPC)	Jun 2018 - May 2020 Grade: 9.40 GPA
SunShine English Medium School, Andhra Pradesh, India Secondary School Certificate (SSC)	May 2017 - Mar 2018 Grade: 8.8 GPA

INTERSHIP

Tefologic

Java Full Stack Intern

- Developed and maintained web applications using Java, HTML, CSS, and React.js.
- Collaborated with the development team to design and implement new features.
- Gained experience with MySQL database management for backend integration.

PROJECTS

Student-Staff Grievance System

- Developed a complaint submission system using Spring Boot and MySQL, enabling students and staff to submit complaints with restricted access.
- Enabled role-based access control, allowing Heads of Departments to view complaints within their department.
- Implemented responsive design and interactive elements to enhance user experience.

Employee Management System

- Developed a full-stack web application using Spring Boot, MySQL, and React.js to manage employee records.
- Implemented full CRUD operations via RESTful APIs for adding, viewing, updating, and deleting employee data.
- Ensured responsive design and cross-browser compatibility for an optimal user experience.

Portfolio Website [Link](#)

- Designed and developed a personal portfolio website to showcase projects, skills, and accomplishments.
- Integrated dynamic content management using ReactJS and Firebase.
- Built the frontend using ReactJS with Firebase integration for dynamic content management.

CERTIFICATIONS

Course Completion Certificate on Java – Udemy

Course Completion Certificate on React JS – GeeksforGeeks

SKILLS

- **Web Technologies:** HTML, CSS, ReactJS
- **Database Management:** MySQL
- **Programming Languages:** Java
- **Backend Development:** Spring Boot
